

Album 12 – Psalms of Surrender – Songs of Trust and Praise

Song 1 O Pure in Heart

Psalm 26 (vindicate me, O Lord, for I have walked in integrity; I love the habitation of Your house); Psalm 11:7 (the upright shall behold His face)

O pure in heart, set love upon the Lord your God
O watchmen waiting for the Lord, He'll make your heart glad
O pure in heart, set love upon the Lord your God
O watchmen waiting for the Lord, He'll make your heart glad

O mighty ones who fear the Lord with reverent might
The good He gives is great, His blessings pure and bright
O living souls who trust the Lord with faith sincere
He hides you in His light, your refuge ever near

O pure in heart, set love upon the Lord your God
O watchmen waiting for the Lord, He'll make your heart glad
O pure in heart, set love upon the Lord your God
O watchmen waiting for the Lord, He'll make your heart glad

O those who take the Lord as refuge, strong and true
You'll never be ashamed, His promise holds for you
O those who call Him God, the true and living One
He works His wonders for you, till the race is run

O pure in heart, set love upon the Lord your God
O watchmen waiting for the Lord, He'll make your heart glad
O pure in heart, set love upon the Lord your God
O watchmen waiting for the Lord, He'll make your heart glad

O righteous ones before the Lord, in justice stand
For your foes, God will answer, by His mighty hand
O faithful sons of man who trust the Lord alone
He'll place you in His fortress, safe upon His throne

O pure in heart, set love upon the Lord your God
O watchmen waiting for the Lord, He'll make your heart glad
O pure in heart, set love upon the Lord your God
O watchmen waiting for the Lord, He'll make your heart glad
