

My Bones All Declare
Who is like
You, O Lord?

Song 5 My Bones Declare

Psalm 35 (contend with those who contend with me; my bones shall say, "Lord, who is like You?"); Psalm 18:31 ("Who is God, but the Lord?"); Revelation 15:3–4 (Who will not fear, O Lord, and glorify Your name?)

My bones all declare, who is like You, O Lord?
My tongue speaks Your justice, praise to You adored
My bones all declare, who is like You, O Lord?
My tongue speaks Your justice, praise to You adored

Justice, O Lord, hear my cry, my plea attend
Justice, O Lord, end my pain, on You depend
Justice, O Lord, with Your love, redeem my soul
Justice, O Lord, guard my spirit, make me whole

You plead my cause against my foes, O Lord of Hosts
In battle You fight for me, turning loss to boasts
You comfort my soul, refresh my weary frame
The God who saves, O Lord, I call Your name

Justice, O Lord, hear my cry, my plea attend
Justice, O Lord, end my pain, on You depend
Justice, O Lord, with Your love, redeem my soul
Justice, O Lord, guard my spirit, make me whole

My bones all declare, who is like You, O Lord?
My tongue speaks Your justice, praise to You adored
My bones all declare, who is like You, O Lord?
My tongue speaks Your justice, praise to You adored

Justice, O Lord, hear my cry, my plea attend
Justice, O Lord, end my pain, on You depend
Justice, O Lord, with Your love, redeem my soul
Justice, O Lord, guard my spirit, make me whole

My enemy comes like a lion, pit to dig for me
My soul to trap, O Lord, from peril set me free
My cause to judge, arise O Lord, in righteousness stand
My plea to hear, O God, by Your mighty hand

Justice, O Lord, hear my cry, my plea attend
Justice, O Lord, end my pain, on You depend
Justice, O Lord, with Your love, redeem my soul
Justice, O Lord, guard my spirit, make me whole

My bones all declare, who is like You, O Lord?
My tongue speaks Your justice, praise to You adored
My bones all declare, who is like You, O Lord?
My tongue speaks Your justice, praise to You adored

Justice, O Lord, hear my cry, my plea attend
Justice, O Lord, end my pain, on You depend
Justice, O Lord, with Your love, redeem my soul
Justice, O Lord, guard my spirit, make me whole

My adversaries open wide their mouths to swallow me
You see them, Lord, in Your sight, their malice flee
Be not silent, Lord, nor far from me remove
You love Your servant's joy, O God of love

Justice, O Lord, hear my cry, my plea attend
Justice, O Lord, end my pain, on You depend
Justice, O Lord, with Your love, redeem my soul
Justice, O Lord, guard my spirit, make me whole

My bones all declare, who is like You, O Lord?
My tongue speaks Your justice, praise to You adored
My bones all declare, who is like You, O Lord?
My tongue speaks Your justice, praise to You adored

Justice, O Lord, hear my cry, my plea attend
Justice, O Lord, end my pain, on You depend
Justice, O Lord, with Your love, redeem my soul
Justice, O Lord, guard my spirit, make me whole

My righteousness You judge, O Lord, in equity
By Your justice You save me, set my spirit free
In time of trouble You uphold, my cause to plead
You comfort and console, O Lord, my every need

Justice, O Lord, hear my cry, my plea attend
Justice, O Lord, end my pain, on You depend
Justice, O Lord, with Your love, redeem my soul
Justice, O Lord, guard my spirit, make me whole

My bones all declare, who is like You, O Lord?
My tongue speaks Your justice, praise to You adored
My bones all declare, who is like You, O Lord?
My tongue speaks Your justice, praise to You adored

My Bones
All
Declare

Who is
like You,
O Lord?
